# *Activity Report*

## **About the Activity**

**General Report:** On February 12th, 2024, Mr. Krishna Kanta Roy conducted an insightful guest session on "Career Options in Economics." The session provided a comprehensive overview of the diverse career paths available to individuals with a background in economics. Mr. Roy, an esteemed researcher with extensive experience in both academia and industry, offered valuable insights drawn from his rich professional journey.

During the session, Mr. Roy highlighted the relevance and importance of economics in various sectors, including finance, government, research, consulting, and academia. He elaborated on the wide range of roles economists can pursue, such as economic analysts, policy advisors, financial consultants, data scientists, and professors, among others.

Moreover, Mr. Roy shared practical advice on how aspiring economists can enhance their skill sets and qualifications to excel in their chosen career paths. He emphasized the significance of acquiring strong analytical, quantitative, and critical thinking skills, as well as staying updated with current economic trends and developments.

Attendees gained valuable insights into the dynamic and evolving nature of the field of economics and left the session with a clearer understanding of the diverse opportunities available to them. Overall, Mr. Krishna Kanta Roy's guest session served as an enriching platform for students to explore and navigate their future careers in economics.

### **Aims & Objectives:**

1. To provide students with a comprehensive understanding of the diverse career opportunities available in the field of economics
- 2 To explain the relevance and importance of economics in various sectors, including finance, government, research, consulting, and academia.

3. To inspire and motivate students to consider pursuing careers in economics by showcasing success stories and career trajectories of professionals in the field..

### **Learning Outcome:**

1 **Knowledge Acquisition:** Students will gain a comprehensive understanding of the various career paths available in economics, including roles in finance, government, research, consulting, and academia.

2. **Career Awareness:** Students will become aware of the diverse opportunities and potential career trajectories within the field of economics, enabling them to make informed decisions about their future career paths.

3. **Skill Enhancement:** Students will identify the essential skills and competencies required to succeed in different economic roles, such as analytical, quantitative, and communication skills, and will explore avenues for skill development.

**No. of Students benefitted: 68**

### **About the Resource Person**

Mr Roy is an experienced economics teacher with over 13 years of teaching experience at the undergraduate and postgraduate levels. Currently, he is working as an Assistant Professor at Symbiosis International University. He taught courses like, Microeconomics, Managerial Economics, International Economics and Econometrics. Before becoming a teacher, Mr Roy spent around three years working in corporate environments, which has helped him develop a unique perspective on the economic concepts he teaches in class. Mr Roy is well known for his innovative teaching techniques, such as blended learning, which incorporates various instructional strategies and technology to enhance student learning.

In addition to his teaching experience, Mr Roy has also conducted numerous faculty development programs in the area of learner-centricity, blended learning, MOOC creation, AI in Education. He believes in the importance of placing students at the centre of the learning experience. He has trained many other educators on how to do so effectively.

Mr Roy's expertise in economics, technology and education has earned him invitations to speak at various universities as a guest speaker. In India and abroad. His research work has also been

presented at many international conferences and forums, demonstrating his ability to contribute to the wider academic community.

Beyond his academic and professional achievements, Mr Roy is also a spiritual seeker and a strong believer in the principles of Karma Yoga. This philosophy has informed his teaching style, emphasised the importance of balance and understood in all aspects of life.

Dear Mr. Roy,

On behalf of Christ College Pune, I would like to express my heartfelt gratitude and appreciation for your invaluable contribution as a guest speaker for the session on "Career Options in Economics."

Your presentation on the topic was incredibly informative and inspiring for our students of BA (Economics) Department. Your vast knowledge and expertise in the field of economics and its career options were evident throughout your talk.

Once again, thank you for taking the time out of your busy schedule to share your knowledge and expertise with our students. Your contribution has significantly enhanced the academic and personal growth of our students. We hope to have the privilege of welcoming you back to Christ College Pune for future sessions.

We look forward to the possibility of collaborating with you again in the future.
