Activity Report

About the Activity

General Report:

The Department of Arts, in collaboration with De Paul College-Mysore, Karnataka, and Don Bosco College-Wayanad, Kerala, organized an International Webinar and Talk Series on the topic "Development Communication in the Context of India" on July 12, 2023. The event aimed to provide insights into the role of communication in fostering development in the Indian context, with a focus on the challenges, strategies, and prospects.

Keynote Speaker:

Dr. Basilio Monteiro, an esteemed academician and expert in the field of Mass Communication, served as the resource person for the webinar. As an Associate Professor at St. John's University, New York, and the Director of the Graduate Program in International Communication, Dr. Monteiro brought a wealth of knowledge and experience to the discussion.

Webinar Highlights:

Opening Address: The webinar commenced with an opening address by the Dr Greeshma, highlighting the significance of development communication in addressing socio-economic issues and promoting sustainable development in India.

Keynote Presentation: Dr. Basilio Monteiro delivered an insightful presentation on the role of communication in development processes, particularly focusing on the Indian context. He discussed various theoretical frameworks, case studies, and best practices to illustrate the importance of effective communication strategies in facilitating development initiatives.

Interactive Session: Following the keynote presentation, participants engaged in an interactive session where they had the opportunity to ask questions, share perspectives, and exchange ideas with Dr. Monteiro. The session facilitated enriching discussions on key themes such as media representation, participatory communication, and the role of technology in development.

Panel Discussion: The webinar concluded with a panel discussion featuring experts from academia, civil society, and the development sector. The panelists deliberated on the challenges

and opportunities in implementing development communication strategies in diverse contexts across India, offering valuable insights and practical recommendations.

Conclusion:

The International Webinar and Talk Series on Development Communication in the Context of India provided a platform for academia, practitioners, and stakeholders to engage in meaningful dialogue and knowledge exchange. Dr. Basilio Monteiro's expertise and the contributions of the panelists enriched the discourse on development communication, emphasizing its crucial role in advancing sustainable development goals in India.

The success of the webinar underscores the importance of collaborative efforts in promoting academic exchange and addressing pressing societal issues through communication interventions. Dr Priya Wahab expressed her gratitude to Dr. Basilio Monteiro, the panelists, participants, and collaborators for their valuable contributions to the success of this international webinar.

Aims & Objectives:

- To deepen understanding of development communication in the Indian context.
- To foster interdisciplinary dialogue and collaboration among stakeholders.

Learning Outcomes:

- Gain insights into communication's role in driving sustainable development.
- Acquire practical skills for designing and implementing effective communication initiatives.
