## About the Activity

### General Report:

All students of the Department of Economics visited the Parle-G Factory located at Malvan in Pune on 8<sup>th</sup> October 2022. It was a day visit. The students were taken around the entire factory and shown the various processes from mixing of the dough to the packaging of the biscuits. The students could see first-hand how high quality was being maintained and how the company aimed at zero wastage. The baking and cooling processes were also shown to the students.

The attendants Ms. Swati and Mr. Shekhar shared the core values of the company and how employees maintain their loyalty towards the company. They shared their personal experiences of their long tenure in the company and how they are looked after well in the factory.

Students were given a tour of the factory and served freshly baked biscuits too.

### Aims & Objectives:

1. Industrial Visit
2. First hand experience of the working or making of a product.
3. To get acquainted with quality control measures adopted in the company.
4. To get knowledge on the manufacturing process of the company.
5. To get an understanding of the core values of the company.

### Learning Outcome:

1. Students visited the factory.
2. Students saw and understood the manufacturing process.
3. Students saw the packaging unit.
4. Students understood the core values of the company.
5. Students were aware of the quality control measures adopted by the company.

### No. of Students benefitted:

### **Feedback Summary**

Students of Department of Arts visited the plant of parle at Pune. The students explored the manufacturing plant in dept and came to know the whole process of making parle biscuit manufacturing. Students where briefly told about the history of parle when was it founded, how did they grew in market, how they expanded their product line, how they are better than their competitors. The students were glad to explore the parle company. The plant manager gave the students a quick guide to the making process of parle cookies. At the end students even got to taste freshly made parle cookies which they enjoyed a lot.

### FDP on Digital Marketing - 11th to 13th October 2023

Smita Thomas

Respected Sir/Madam,

Greetings from BVM CSR Team

We are glad to inform you that we are organizing a 3-Day Faculty Development Program on Digital Marketing from 11th to 13th October 2023 at BVM's PUNE Campus. Request you to nominate faculty members from your respective University / College / Institute, latest by 15<sup>th</sup> September 2023 in the attached format.

Below is the overview of the content that will be covered as part of the program:

- What is Digital Marketing
- Introduction to Digital Marketing
- Search Engine Marketing
- Search Engine Optimization
- Campaign Management
- Content Marketing
- Conversion & much more

Below are some more details on the program:

- The batch needs to have a minimum of 10 participants who are open to learning and committed to make a difference in the student community. Since it isn't possible to get a batch out of one university, we are inviting all our partner universities to participate.
