E-WASTE COLLECTION DRIVE

Date : 23rd - 28th May 2022

Beneficiaries : College Students

As we stand in the midst of extreme environmental and climate deterioration. E-waste hazard is one of the major issues we face in this digital era. Electronic waste or e-waste describes discarded electrical or electronic devices. For example old mobile phones, chargers, laptops keypads, pen drives etc.

To curb this issue the NSS UNIT of Christ College, Pune organised an E-waste awareness drive for a week starting from 23rd of May till 28th of May. All the staff and students were requested to contribute to this drive by bringing any electronic waste and discarding it in e-waste dustbin placed in the lobby area near the college office. This e-waste was then recycled by the Recycling Company (Threco Recycling LLP). A certificate was issued by the company for receiving 318.9 Kgs of E-waste.

Outcomes:

- Students were made aware of the possible hazards of E-waste.
- They were educated about what actually is E-waste and how it can be recycled.

Features of Alumni Platform

E-Publishing : This is one of the most unique features in the world. It is a media publishing platform, where any media or content related to the institute can be shared, by the institutes themselves. This media is sharable on social networks and holds tremendous potential to engage the long lost alumni and provide a strong digital presence to the institutions. Our expert team works closely to assist institutes in creating the content.

Admin Area: This is an automatic administrator tool to ease alumni management and let institute experience the power of rich alumni network. The administrators of the platform (Administrators are the Heads of Institute or Executives of Alumni Association) will be having following controls in the platform:

- a) Monitor all the activities by the members of College community on the platform
 - b) Automatically update Alumni Database, by fetching updates from existing social media accounts of the alumni
 - c) Broadcasting information to all the members of the community
 - d) Rights to restrict approve or disapprove members or content in the platform.
- Send personalized bulk mails to thousands of alumni, in just few clicks

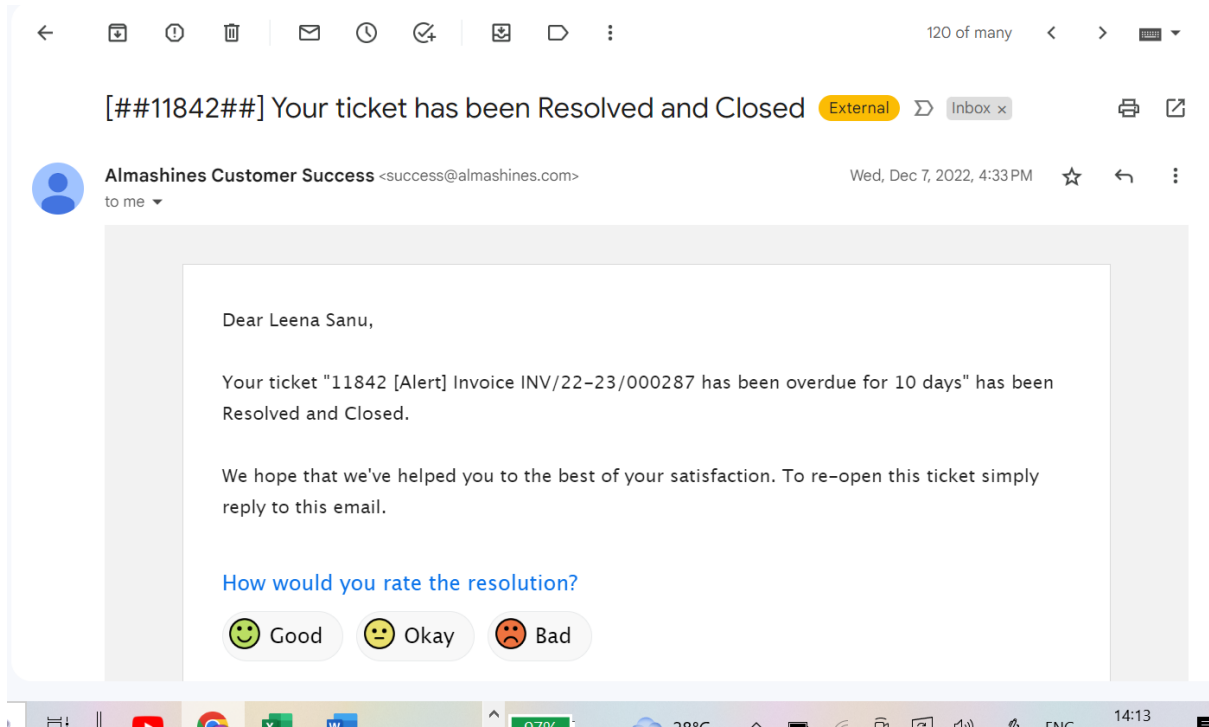

Job Portal: The portal is designed to analyse the relevant job vacancies in the organizations, worldwide, and seek referrals from the alumni working in the respective organizations for potential students/job seekers. This process is totally automated and does not require any moderation or human interference and is also simple to use by the alumni.

Automated Mailing: We have developed a very powerful mailing tool with which the institutes can send personalized bulk mails, eliminate the inactive email ids and keep a track of mails that are opened as well as the click rate of the links in the mail.

Alumni Directory: AlmaShines platform offers a powerful tool to search the alumni based on various filters, like City they live in, Company they worked at, Courses they studied and Year they graduated in and extract the filtered list in the format of Excel.

Peer-to-Peer Invite: On AlmaShines, users can invite their friends and classmates with a click. The users can send invitations via Facebook, E-mail or even Whatsapp. With this, we intend to provide an ease to our user in spreading the word for the Alumni Network and add prosperity to the network

Hello,

Hope all is well. I had put a reminder to check in with you to see how things were going with your institute. We had discussed a potential partnership with Christ College Pune a few months back but hadn't been able to formalize anything.

I would love to catch up and see if there are any opportunities to engage with you and [help you with Alumni Relations Management](#).

Let me know if you have some time to reconnect this week and I can provide some ideas on where I can help.

Look forward to hearing from you.

Thanks!

BUSINESS QUIZ COMPETITION

Christ College Pune-Dept of Commerce conducted the announcement round business quiz competition of Rajagiri NBQ on 11 August 2021 between 9.30 am and 11 a.m. More than 60 students of the Department participated in the competition. The offline quiz conducted here was a combination of the corporate and business sector along with other important sectors which eventually helped in nourishing the corporate approach of the aspirants. Three of our students got selected to the next round. It was an initiative of the department to find out the smartest minds and provide them opportunity to ponder into the details of business management as well as give an exposure outside the class room learning. Mr. George Panakkal, Sr Executive-International affairs, Rajagiri Centre for Business Studies, Kakkanad, Kochi, Kerala coordinated the event and took an introductory session
