E-WASTE COLLECTION DRIVE

Date : 23rd - 28th May 2022

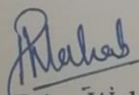

Beneficiaries : College Students

As we stand in the midst of extreme environmental and climate deterioration. E-waste hazard is one of the major issues we face in this digital era. Electronic waste or e-waste describes discarded electrical or electronic devices. For example old mobile phones, chargers, laptops keypads, pen drives etc.

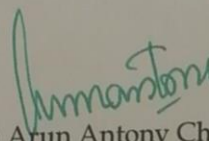

To curb this issue the NSS UNIT of Christ College, Pune organised an E-waste awareness drive for a week starting from 23rd of May till 28th of May. All the staff and students were requested to contribute to this drive by bringing any electronic waste and discarding it in e-waste dustbin placed in the lobby area near the college office. This e-waste was then recycled by the Recycling Company (Threco Recycling LLP). A certificate was issued by the company for receiving 318.9 Kgs of E-waste.

Outcomes:

- Students were made aware of the possible hazards of E-waste.
- They were educated about what actually is E-waste and how it can be recycled.

AWARENESS DRIVE ON CHILD RIGHTS & CHILD BEGGARY

Date: 30th April 2022

Beneficiaries: Child Beggars Near Traffic Signals Of Pune City

The Children Act, 1960 Section 42 of the Act says that whoever employs a child for begging or indulges the child into begging or makes him beg will be held liable to imprisonment for a term maximum up to one year or fine or both. India has no federal law on begging and destitution. About 20 states have adopted the Bombay Prevention of Begging Act, 1959, which carries a penalty of detention of three to 10 years in beggar homes.

The NSS Unit organized an awareness drive on 30th April 2022 on Child Rights & Child Beggary in collaboration with Sarva Seva Sangh NGO. The awareness campaign was organized at different signals of Pune city. The volunteers stood at signals raising placards on child rights and child beggary spreading awareness and voicing through their placards. The volunteers counselled the child beggars on the signals and motivated them to go to school and complete education for a better brighter future.

Outcomes:

- Volunteers were able to spread awareness on child beggary among public.
- The child beggars were counselled to stop begging and motivated to go to school.

'NATIONAL WEBINAR ON 'GENDER EQUALITY TODAY FOR A SUSTAINABLE TOMORROW'

DATE : 8th March 2022

Volunteers' Participation: 86

Christ College Pune Internal Quality Assurance Cell in Association with National Service Scheme organized a National Webinar on 8th March 2022, at 12 pm via Google Meet, on the occasion of International Women's Day. The theme was 'Gender Equality Today for a Sustainable Tomorrow'. Ms Ruchira Sawant, the co-founder of MakeShift, Mumbai, Space science Communicator and Educator, was the resource person for the day.

The event started with a welcome address by Ms Lis Maria Saju, NSS Representative, followed by a talk by the speaker Ms Ruchira who began by interacting with the audience, asking various thought-provoking questions. She shared how working as the only woman team member made her realize that equality is not treating the person special but like one among us. During the talk, she shared the importance of bridging the gap between education and design thinking and emphasized three questions to ask ourselves when working on any problem statement. First, ask what are you doing, then find why are you doing it and then seek for whom are you doing it for. The talk came to a close with a round of questions and answers in which the audience actively participated. All positively filled out the feedback forms. The resource person thanked the organizers for arranging the live webinar. The webinar ended with a vote of thanks by Mr Rufus Samuel, IQAC Student Representative. Around 86 participants took part, including faculty members, students and NSS volunteers.

NSS unit of Christ College Pune conducted a rigorous cleanliness drive. The Volunteers cleaned the college campus. Cleanliness is next to Godliness. Sticking to this, the Volunteers took over this responsibility of keeping their campus spik and span. For this they made groups among themselves and started cleaning the allotted areas. They picked up wrappers, chalk pieces and swept the floor. It was a good move and helped create awareness among them about the importance of keeping their surroundings clean especially where they spend most of their time in gaining knowledge. This drive motivated other students too and they also joined in the campus cleaning drive.
