Guest Lecture on General Banking

General Report

Department of Management, Christ College Pune, organized a guest lecture on 1st November at noon for the students of SY BBA.

The resource person for the session was Mr. C D Simon, Ret. General Manager Federal Bank.

Through this session, the students understood the general banking activities that the bank does, like accepting deposits and lending funds. The speaker briefed the students about the evolution of banking, the different types of banks existing, the functions of these banks, and how they are monitored and controlled. The session was very interactive; the students could understand the bank's basic structure and processes in detail.

Aims & Objectives:

1. To help the students understand the basic structure and functions of banking
2. To give an insight into the evolution of banking and the changes that have taken place in the recent era
3. To help the students understand how the banks are functioning after the merging.

Learning Outcome:

1. Students will be able to learn about the evolution of banking and how the digital era has made an impact.
2. Students will clearly understand the structure and functions of the different types of banking.
3. Students will be able to correlate the theoretical knowledge with the practical picture of the banking industry.
