We are writing this letter to request permission to execute Akshara's Youth for Change program with the colleges in Nashik and Pune. This program runs in 24 Mumbai colleges with permission from NSS and WDC.

[About Akshara and Youth for Change Program:]

Akshara Centre is a non-profit and a women's rights organization working for women's empowerment and an inclusive and safe city for over 25 years. We believe in engaging young men along with young women in this process of building a gender just world. Consistent dialogues and interactions are required to sensitize individuals on gender issues. We engage with college going youth in Mumbai and provide information on gender in a simplified way, establish spaces for conversation, and provide opportunities for them to act on what they have learnt. The Youth for Change (YCP) Program makes an effort to develop tomorrow's active and conscious citizens, who will be engaged in the democratic process.

YCP is a yearlong program which involves interactive workshops, social actions, webinars and events on the topic of Gender and Citizenship. Akshara collaborates with 20-25 colleges in Mumbai via NSS department of Mumbai University. This year we have expanded the program to two other cities in Maharashtra, in collaboration with other organizations of Nashik and Pune. Abhivyakti Media for Development in Nashik, Centre for Youth Development and Activities (CYDA) in Pune are taking lead to execute the program in their cities. General Report

Department of Management, Christ College Pune, organized a Street Play on 13th October 2022 for the students of St. Arnold School and the campus students.

Cybersecurity is a significant worry for the general public, students, and professionals. Christ College in Pune organized a street play on cybersecurity to educate professors and students about cybercrimes, cyberbullying, and cyber mobbing. The street play was presented in St. Arnold School for Class 5th to 8th students commemorating cyber security awareness month—also, a street play was introduced on campus, creating awareness among the youth.

A resilient cybersecurity program is all about deterring and resisting attacks and detecting and recovering from them, returning to regular operation with minimal downtime. Knowing cybersecurity threats and vulnerabilities is the first step in minimizing cybersecurity risks.

Aims & Objectives:

1. To motivate & engage students.
2. The primary objective of a street play is to take social messages to a large group of people.
3. To make the students understand and participate in making people aware of cybercrime issues.

Learning Outcome:

1. The students and the youth, the maximum users of digital gadgets, are more prone to fall prey to cybercrimes. To create awareness among the students about the various incidences of cybercrimes.
2. Such activities can create vigilance so students can take precautions and use the devices appropriately.
3. To create awareness about the cyber security team who can help if any students fall into such a situation and what prompt actions need to be taken.

Activity Report

General Report :

Voters day, widely known as The National Voters' Day or Matadaata Divas, in India is celebrated on the 25th of January every year to mark the foundation day of the Election Commission of India. The day is dedicated to encouraging and promoting voter education and awareness, highlighting the importance of participating in the democratic process, and recognizing the contributions of election officials and workers. The resource persons for the day were Mr Sangale (Election Officer of Wadagaoshi) and Ms. Vrushali Bhokare (PLO).

The students development office of Christ College Pune in association with the Electoral Literacy club celebrated the Voters day on 25th of January 2023 with a similar aim of creating awareness and promoting the importance of The National Voters day. The main highlights of the event were the orientation program where the resource person explained the importance of the electoral process, voter registration, voting rights and various aspects of the voting process. The program was a great success as it helped in educating the students about the various democratic processes of the Voting system. The orientation program was later followed by an awareness rally conducted by the members of the student council along with the NSS department of the college. The awareness rally was accompanied by students in large numbers. The students marched through the streets holding banners, placards and posters and chanting slogans to spread their message, the students were full of enthusiasm during the entire drive making the rally a great success.

The students walked all the way to Vidyankur school and returned back to college covering a considerable distance in the process. Overall, the rally proved to be a great way to motivate people, particularly the youth of our Country to exercise their right to vote and played a crucial role in encouraging them to become active participants in the democratic process. The Voters Day Event was a successful and collective effort by the college to educate and promote the importance of voting and to remind the people about their duty of participating in the democratic process and upholding the values of democracy, equality and social justice, the students not only gained a deeper understanding of these values but also their duty towards the betterment of the Nation and it is hoped that this will encourage them to become more active and act as a responsible citizen in the future.

A vote of thanks along with a group photo with the principal, teachers, members of the student council and the NSS Representatives holding the banners and posters used in the rally marked the conclusion of the event. In conclusion, the celebration of the Voters Day in our college was a great success and helped the students to learn more about the Voting System and the Voter Rights along with its importance. The events were very well-organised and the participation of the students in large numbers was the evidence of the successful completion of this day.
