Activity Report

About the Activity

General Report: The Department of Arts, in association with the Department of Commerce, Christ College Pune, hosted a spectacular economics departmental fest, 'Ecomania '23,' in conjunction with the Department of Commerce, CHRIST (Deemed to be University) Pune Lavasa Campus. The event was a grand celebration of knowledge, fostering a spirit of curiosity, critical thinking, and innovation among the students.

The fest included a series of engaging and intellectually stimulating activities organized by students from CHRIST (Deemed to be University) Pune Lavasa Campus, which encompassed a wide array of events like Econ-Quest, Word Wizz Challenge, C- Suite Showdown, Econ-Cipher, Phantom Shares, Auction and Product Innovation & Eco-Mysteries. Participants from various years and academic programs, including FYBA, SYBA, TYBA, and FYBCOM, enthusiastically embraced the opportunity to participate in these events. The fest was a tremendous success, thanks to the enthusiastic participation of the students and the collaborative efforts of the two departments. The students displayed remarkable passion, energy, and a strong understanding of economic concepts throughout the fest.

After an intense and closely contested competition, the team 'Smithians' emerged as the winners of Ecomania '23, showcasing their exceptional knowledge and skills in the field of economics.

Aims & Objectives:

1. **Fostering Academic Excellence:** Ecomania 2023 aimed to promote academic excellence by providing a platform for students to showcase their research, analytical, and presentation skills through PowerPoint presentations and quiz competitions. This objective encouraged students to engage in rigorous academic pursuits and share their knowledge with the community.

2. **Skill Enhancement:** Ecomania aimed to equip participants with practical skills relevant to the field of economics.

4. **Community Building:** One of the central objectives was to foster a sense of community within the students of Economics Department. Ecomania ‘23 aimed to bring the students of economics together to share their passion for the subject and strengthen relationships that would extend beyond the fest.

Learning Outcome

1. Enhanced Understanding of Economic Concepts: Ecomania '23 will provide participants with a deeper comprehension of economic principles, theories, and real-world applications, fostering a stronger foundation in economics.

2. Improved Critical Thinking and Problem-Solving Skills: Through various activities, discussions, and challenges, participants will sharpen their critical thinking abilities and develop effective problem-solving skills, valuable both in academics and real-life situations. world applications, fostering a stronger foundation in economics.

3. Promotion of Interdisciplinary Learning: Ecomania '23 will encourage participants to explore the intersection of economics with other disciplines, promoting a holistic approach to understanding global economic issues and their interconnectedness with various fields.

Students benefitted: Students of FYBA, SYBA, TYBA, FYBCOM A & FYBCOM B
