'National Webinar on 'Gender Equality Today for a Sustainable Tomorrow'

DATE: 8th March 2022

Volunteers' Participation: 86

Christ College Pune Internal Quality Assurance Cell in Association with National Service Scheme organized a National Webinar on 8th March 2022, at 12 pm via Google Meet, on the occasion of International Women's Day. The theme was 'Gender Equality Today for a Sustainable Tomorrow'. Ms Ruchira Sawant, the co-founder of MakeShift, Mumbai, Space science Communicator and Educator, was the resource person for the day.

The event started with a welcome address by Ms Lis Maria Saju, NSS Representative, followed by a talk by the speaker Ms Ruchira who began by interacting with the audience, asking various thought-provoking questions. She shared how working as the only woman team member made her realize that equality is not treating the person special but like one among us. During the talk, she shared the importance of bridging the gap between education and design thinking and emphasized three questions to ask ourselves when working on any problem statement. First, ask what are you doing, then find why are you doing it and then seek for whom are you doing it for. The talk came to a close with a round of questions and answers in which the audience actively participated. All positively filled out the feedback forms. The resource person thanked the organizers for arranging the live webinar. The webinar ended with a vote of thanks by Mr Rufus Samuel, IQAC Student Representative. Around 86 participants took part, including faculty members, students and NSS volunteers.

WOMEN'S DAY

Dr. Shruti Gill, Dept. of the Commerce, Christ College, conducted a session on 'Save the Girl Child' with a spirit to celebrate Woman's Day. From the past few years repeated articles in newspapers and television are featuring married or unmarried women or couples abandoning or killing newborn babies because she was a girl. Many baby girls have been discarded as though they were some garbage by letting them being eaten by stray dogs, strangling and put into plastic bags and dumped near dustbins. Thus a need was felt that the students should become sensitive towards this issue so that when in turn parents in future, they accept the child irrespective of the gender with open and happy hearts. The population of girls is comparatively very less to the boys in our country. Hence, it becomes the duty and social responsibility to educate the youth of today on saving Girl Child as 'This world would not have existed if girls were not there'. A girl, a daughter, a sister a wife and inlaw in various other roles are played in family by the girl so 'Why not let them live?' As Dr. Shruti Gill appositely said that on the Woman's Day thus, we need to think, have a rational mind and a clean heart towards the precious gift from the Almighty – The Girl Child.
