Designing the Organization
Managing the Organization
Business Strategy
Corporate Strategy
Strategic Leadership and Management Capstone

29/04/2023

ANNU VERMA

has successfully completed the online, non-credit Specialization

Strategic Leadership and Management

The Strategic Leadership and Management Specialization will give you the skills you need to practice everyday leadership to manage people, learn and apply concepts and techniques to effectively design and manage organizations, and formulate and implement strategy. You will learn the fundamentals of effectively managing people and organizations as well as tools to analyze business situations and develop strategies.

Gregory Northcraft,
Deepak Somaya, Joe
Mahoney, and Hussein
Leblebici, Professors of
Business Administration

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at the University of Illinois.
