

**Type of Activity: Career Guidance**

**Topic: Career Planning and Career Development - Habbinsons**

**Date of the Activity: 04 January, 2024**

**Activity Co-Ordinator: Ms. Deepa Sujith**

# *Activity Report*

## **About the Activity**

### **General Report:**

On January 4, 2024, the Department of Management at Christ College, Pune, organized a comprehensive career guidance program titled "Career Planning and Career Development" in collaboration with Habbinsons. The event aimed to equip students with the essential tools and knowledge needed to effectively plan and develop their careers. Ms. Deepa Sujith, the Activity Coordinator, ensured the smooth execution of the event, providing a structured and enriching experience for all participants.

### **Aims and Objectives:**

1. To provide students with a clear understanding of various career paths and opportunities available in the market.
2. To enhance students' skills in resume writing, interview techniques, and professional networking.
3. To guide students in setting short-term and long-term career goals.
4. To educate students about current trends in the job market and industry demands.
5. To help students develop their personal brand and professional presence online and offline.
6. To introduce students to various career resources and tools that can aid in their career planning and development.

### **Learning Outcomes:**

1. Students gained a deeper understanding of different career options and the pathways to achieve them.
2. Participants learned valuable skills in resume writing, interview preparation, and professional networking.
3. Students were able to set realistic and achievable career goals.
4. Attendees became more knowledgeable about current job market trends and industry expectations.
5. Students learned how to effectively create and maintain a personal brand.
6. Participants were introduced to various tools and resources to aid their career development.

## **Session Agenda:**

### **1. Introduction and Welcome:**

Student Representative opened the event with a warm welcome, outlining the goals and significance of the career guidance program.

### **2. Career Pathways Presentation:**

The presentation covered a wide range of career paths, including both traditional fields like engineering, medicine, and law, as well as emerging industries such as data science, digital marketing, and sustainable energy. The speaker shared statistical data on job growth, salary potentials, and necessary educational qualifications. Real-life success stories were presented to motivate students.

### **3. Interview Techniques Seminar:**

The seminar provided practical advice on preparing for interviews, including tips on answering common questions, proper body language, and making a positive first impression. Role-playing activities enabled students to practice their interview skills, with immediate feedback to help them improve.

### **4. Goal Setting Exercise:**

This session focused on helping students set achievable career goals using the SMART criteria (Specific, Measurable, Achievable, Relevant, Time-bound). Participants engaged in activities to identify their personal and professional aspirations and created action plans to achieve these goals. Small group discussions allowed for peer feedback and support.

### **5. Industry Trends Discussion:**

The Speaker discussed current job market trends and future opportunities. Topics included technological advancements, the rise of remote work, and the demand for skills in areas like artificial intelligence, cybersecurity, and renewable energy. Students had the chance to ask questions and gain valuable insights into industry expectations and opportunities.

### **6. Q&A and Networking:**

The event concluded with an open Q&A session, where students could ask questions to the speakers and facilitators. This was followed by a networking opportunity, allowing participants to interact with guest speakers, facilitators, and peers, fostering connections that could benefit their future careers.
